

# Hooray for Crochet

## Class Supplies List

Instructor: Renée Raymond

### SUPPLIES are available at Michael's or JoAnn's:

- **Crochet Hook:** Size I - also known as I-9

I recommend aluminum crochet hooks by Susan Bates or Boye, or Crystalites hooks by Susan Bates. Lion Brand plastic hooks are okay, as well.

Note: If you can't find a size "I" hook, size J-10 will work.

- **Yarn to make a scarf:**

Purchase 2 balls of yarn, 100% acrylic with a number "4" rating on the label in the same color (solid not multicolored)

Here is a list of possible brands:

**SuperSaver by Red Heart**  
**One Pound by Caron**  
**TLC Essentials**  
**Everyday by Debra Norville**  
**Waverly by Bernat**

**Vanna's Choice by Lion Brand**  
**Pound of Love by Lion Brand**  
**Super Value by Bernat**  
**Perfect Match by Caron**  
**Impeccable by Loops & Threads**

The "pound" yarns are fine, but you really don't need that much yarn so you might want to choose something else on the worsted weight list.

Note 1: Choose lighter colors -- they are ideal when learning because you can see the stitches better. **Do not buy** multicolored, "soft", "satin", or textured/nubby yarns – they are difficult to manage for beginners.

- **Additional Items:** Scissors & reading glasses if you need them.

---

### OPTIONAL Additional Project

Purchase 2 additional balls of yarn from the list above in a different color for another scarf to be presented in class using a different stitch technique that you may want to work on.
